

Plosebob

Experience action-packed excitement with the Plosebob! Safely seated in enclosed bobs, you race downhill on a rail-guided track, covering a height difference of 147 metres. You control the speed and choose between a high-speed launch with the Hero catapult or a more leisurely pace. Either way, thrilling curves guarantee an adrenaline rush. The start and finish are located in the Info Shop at the mountain station of the Plose cable car. The Plosebob is open during both the winter and summer seasons.
