

Vineyard Tour with Wine Tasting

Novacella has a centuries-old winemaking tradition. Founded in 1142, the Neustift abbey winery is one of the oldest in the world and has shaped South Tyrolean viticulture for generations. But what does winemaking look like here today? A guided vineyard tour offers insights into historic traditions and modern techniques and, of course, includes a tasting of Neustift's signature wines.

Duration: 90 minutes
